JVS OML (Own My Learning) Day

Dear Sec 1 Parents/Guardians

We will be having our first JVS OML (Own my Learning) on Wed, 10 Jan 2024. The JVS OML days aim to develop students to be **independent learners who learn for life**. It provides a unique experience for JVs to develop their intrinsic motivation and nurture good habits that support self-directed learning through exploring their interests and passions.

To ease the Sec 1s to this new learning experience, Sec 1s will report to school as usual (Before 7.25am) on the first 4 OML days. Students will undergo activities and lessons that aim to familiarize students with tasks and processes that need to be done when they experience OML days at home. The school views OML days as an integral part of our curriculum and students are expected to complete the tasks assigned to them in a timely manner.
