

# JURONGVILLE SECONDARY SCHOOL

8 January 2024

## JVS OML (Own My Learning) Day

Dear Sec 2 to 5 Parents/Guardians,

We will be having our first JVS OML (Own my Learning) on Wed, 10 Jan 2024. The JVS OML days aim to develop students to be **independent learners who learn for life**. It provides a unique experience for JVNites to develop their intrinsic motivation and nurture good habits that support self-directed learning through exploring their interests and passions.

Your child/ward's teachers will assign learning tasks via your child/ward's G-Class (Google Classroom). Students will login to their Student ICON mail, access respective G-class and submit their attendance by 7.45 am.

Students will need to complete the assigned OML learning tasks according to the deadline set for each task. Each task is designed to be completed within the morning of the OML day. The school views OML days as an integral part of our curriculum and students are expected to complete the tasks assigned to them in a timely manner.

Students have been advised to head to the PLDcentre@library after school if they are having issues with their accounts or PLDs. Please contact your child/ward's CMs (class mentors) should you have questions on OML.

Please see below for the scheduled OML days for Term 1
